Online BCA

Bachelor of Computer Applications

This BCA program delivers a tech-forward curriculum with specializations in Data Analytics, Cloud Computing, Cybersecurity, and Full Stack Development. Designed for future-ready professionals, it combines core computing principles with practical, hands-on training to prepare students for high-demand roles in IT, software development, and emerging tech sectors. With a flexible learning approach, it's perfect for those aiming to build a strong foundation in computer applications and advance in the digital economy.

Bachelor of Computer Application Fees

Nationality	Semester Fee	Full Course Fee
Indian Nationals	INR 24,000	INR 1,44,000
Non-Resident Indians	USD 379	USD 2,274
Other Nationals	USD 441	USD 2,646

A non-refundable additional application fee of INR 500 is to be paid by Indian, Nepalese, Bhutanese, Bangladeshi, and Sri Lankan students.

Applicants from Nepal, Bhutan, Bangladesh, and Sri Lanka are required to pay their fees in Indian Rupees (INR)

Program Delivery

Quality education, delivered seamlessly through state-of-the-art technology, so learning never slows down.

- Online program entitled by UGC
- 24x7 learning with best-suited content
- Career support to find your dream job
- Expert faculty and mentors
- Industry expert sessions, webinars and projects
- Foundation courses
- Access to Coursera at additional fee
- Scholarships for deserving candidates

"I was able to pursue my dream online BCA degree through Manipal University Jaipur's scholarship. With the online degree program from MUJ, attending online classes and lectures on weekends has made it easier to manage my work and other household responsibilities along with my studies."

- Madona Khanna

About MUJ

Launched in 2011 on invitation from the Government of Rajasthan, Manipal University Jaipur is a self-financed State Private University that has redefined academic excellence in the region.

The multi-disciplinary university offers career-oriented courses at all levels across diverse streams, with best-in-class infrastructure, including state-of-the-art research facilities and a digital library. In line with Manipal University's legacy of providing quality education to its students, the campus uses the latest in technology to impart education.

- C Programming Lab
- WebProgramming Lab
- Environmental Science

Second Semester

- Basic Statistics and Probability
- Data Structures
- Database Management System
- Principle of Programming Languages
- Object-Oriented Programming using C++
- Database Management System Lab
- Data Structures using C++ Lab

Third Semester

- Computer Organization and Architecture
- Java Programming
- Data Communication & Protocols
- Operating Systems
- Artificial Intelligence for Problem Solving
- Java Programming Lab
- Operating System Lab

Fourth Semester

- Python Programming
- Software Engineering
- Data Mining & Visualization
- Introduction to Network Security
- Python Programming Lab
- Data Mining and Visualization Lab

Fifth Semester

- Mobile Application Development
- Machine Learning
- Cloud Computing & Applications
- Machine Learning Lab
- Aptitude and Technical Development
- Elective-I

Sixth Semester

- Wireless Communication
- Unix and Shell Programming
- Big Data
- Unix and Shell Programming Lab
- Project
- Elective-II

- Total credits: 127
- Labs carry 1 credit each
- Project during the final semester carries 3 credits
- All other courses carry 4 credits each
- Technical Communication, Environmental Science and Aptitude and Technical Development, carry 2 credits each.

- Learners are responsible for identifying their own project guide in accordance with the university's eligibility criteria

Note: MUJ reserves the right to change the program design, format, number of sessions, certificate format, and terms in the program or can incorporate any such change deemed necessary by the institute without prior intimation.

Program Specializations/Electives

Specializations	Fifth semester	Sixth semester
Choose one	Elective-I	Elective-II
Cloud Computing	◆ Distributed Systems	◆ Cloud Storage & Data Management
Data Science & Analytics	◆ Big Data Analytics	◆ Data Visualization with Python
Cyber Security	◆ Ethical Hacking	◆ Information Systems Security

- Note: Every student shall undertake project work, either at their place of work or elsewhere in the chosen area of elective to complete the program. The project work will commence from the third semester and has to be completed by the end of the fourth semester.
- MUJ reserves the right to change the program design, format, number of sessions, certificate format, and terms in the program or can incorporate any such change deemed necessary by the institute without prior intimation.

The eLearning material will be made available to you on the Learning Management System (LMS) based on the four-quadrant approach, as per UGC (Credit Framework for online learning courses through SWAYAM) Regulations, 2016. It includes a combination of the following eLearning content, namely

Video Lectures

Virtual Classrooms

Virtual Simulation

E-content

Interactive Material

Discussion Forums

"I couldn't complete my degree in the on-campus mode, so I chose MUJ to pursue my online BCA degree due to flexible learning. With close to 10 years of work experience, I hope to build my professional network through this program."

- Vishnu J

The More You Know

Evaluation

The assessment system has been conceived, developed, and administered on a rigorous and fair basis to bring out the best in you and prepare you for a challenging career.
Your performance evaluation will be based on both continuous evaluation and term-end examinations.

Theory papers

The theory part is assessed by performance based on continuous assessment (CA) through assignments and term-end examinations TEE. The assessment ratio for TEE to CA is 70:30. The CA is based on assignments prepared by the University. TEE will comprise descriptive and multiple-choice type questions. You must score at least 40% in both CA and TEE to be declared as pass.

Practical papers (as applicable)

The assessment for the practical part is based on the performance in guided exercises (i.e. day-to-day exercises) and unguided exercises which will be conducted on the last day of the practical sessions in each subject with an external examiner. The assessment ratio for TEE to CA is 30:70. You must score at least 40% in both the parts to be declared as pass.

Examination

The university semester-end examinations will be held digitally viz. computer-based and online proctored. You can appear for the exams from the comfort and safety of your homes. A laptop or desktop computer with a functioning webcam connected to the Internet is required to appear for the exams. The details of the examination schedule will be made available in the photo admit card issued for appearing for the term end theory examinations. The university will share all examination details via the student portal.

Results

The results will be published on the student portal. If you fail to clear any of the papers (either in TEE or CA or both), you have to re appear for the relevant paper by applying to the university through the resitting application along with relevant fees, within the due date.

Awards and degree

Successful students, on satisfying all criteria stipulated by the university, will be awarded the respective degrees by the university.

Right to amend rules

The university reserves the right to add / delete / change / amend the syllabi, program structure, rules and regulations wherever considered necessary and appropriate without any prior notice. You are advised to go through the website frequently where all circulars and important information will be hosted from time to time. Promulgation of any such information on the website in the form of circulars / notices is considered to be adequate.

Jurisdiction

All disputes relating to university program and activities are subject to local jurisdiction (Rajasthan) only.

Application Process

Program Registration

Fill in your basic, education & work experience-related details and pay the application fee to register.

Fee Payment

Pay the admission fee for the first semester/year or full program.

Document Upload

Upload supporting documents & submit your application.

University Approval

The university will evaluate your documents to confirm your admission.
